## ARMORGARD TREKDROR 3

### Description

#### Dimensions:

- External: 4900 x 1105 x 490mm
- Internal: 435 x 1040 x 435mm

What could be more useful than TrekDror; our range of robust, steel tool drawers for vehicles and small spaces.

Available in three different sizes and stackable. TrekDror offers the ultimate in versatility with removable partitions to keep everything tidy and organised, from your power tools right down to that 5mm screwdriver.

TrekDor units are designed to fit neatly into smaller spaces, such as under a shelf or between wheel arches, and can be fixed down. Our unique bearing and roller system ensures a smooth sliding action to access contents easily and safely – goodbye wrenching and wrestling!

More importantly, each TrekDror is cased in corrugated steel with reinforced ribs and 5-lever deadlocks to give you that extra layer of security.

#### Features:

- Stackable tool drawers, available in various sizes
- Keeps tools tidy and organised
- Robust corrugated 1.5mm steel casing for durability and strength
- Unique roller system ensures a smooth operation throughout it's life
- Recessed handles
- Optional kits allow the TrekDror to be stacked or fixed to a vehicle or surface
- 2x 5-lever deadlocks for maximum security
- Removable partitions allow you to easily organise your tools
- Drawer extend out over 80% for space efficiency
