

Site Shield- Cardboard Floor Protection Board

SKU: 6131-BB30

Specifications

30m²

820mm x 37m

Advantages:

- Moisture resistant
- Reusable & Economical
- Effective protection from impact and abrasion
- Quick and easy to install
- No sawing may be cut with a heavy duty knife
- Recycled

PRODUCT DESCRIPTION

This Protection Board may be used to prevent damage to sensitive surfaces such as polished or prefinished flooring tiled areas etc.

The Board is easily cut on-site without generating dust from sawing making it quick and easy to install. Buffalo Board can provide a moisture resistant barrier that is easily sealed at the joins using cloth tape.
