

## Concrete Spacer - Fast Clip - 50Mm Cover - 150Pk

**SKU:** 6192-CSAK50

- Spacers / Cover Blocks with clips are designed to save labour of tying a spacer. Snap-on clip design ensures quick and effortless fixing of spacers.
- These cover blocks are also used for pre-casting members with complex / challenging mould designs.

### PRODUCT DESCRIPTION

#### Technical Data Sheet

##### 1) IDENTIFICATION OF SUBSTANCE

**Product Name:** Concrete Spacers

##### 2) Composition/INFORMATION OF INGREDIENTS

**Chemical Composition:** Mix of OPC, GBS, GGBS, fibres and additives.

##### 3) Technical Specifications

Test Parameters	Results
Compressive Strength	Not less than M60
Water Absorption	Less than 5%
Rapid Chloride Penetration Test	Very Low
Sulphate Content	Less than 1.0% by mass of cement
Chloride Content	Less than 0.3 kg/m <sup>3</sup>
Water Penetration	Less than 10mm
Chloride Migration Coefficient	Less than 3.5x10 <sup>-12</sup> m <sup>2</sup> /s
Deflection Under Load	Less than 1mm
Alkali Silica Reactivity	Harmless
Salt Content	Less than 0.01%
