

Concrete Multi Spacer 35 40 45 50Mm Cover - 200 Pcs Pk

SKU: 6192-AS3550

- Multiple Cover Spacers / Cover Blocks are widely used for infrastructure and precasting works.
- Recommended for projects to control inventory

PRODUCT DESCRIPTION

Technical Data Sheet

1) IDENTIFICATION OF SUBSTANCE

Product Name: Concrete Spacers

2) Composition/INFORMATION OF INGREDIENTS

Chemical Composition: Mix of OPC, GBS, GGBS, fibres and additives.

3) Technical Specifications

Test Parameters	Results
Compressive Strength	Not less than M60
Water Absorption	Less than 5%
Rapid Chloride Penetration Test	Very Low
Sulphate Content	Less than 1.0% by mass of cement
Chloride Content	Less than 0.3 kg/m ³
Water Penetration	Less than 10mm
Chloride Migration Coefficient	Less than 3.5x10 ⁻¹² m ² /s
Deflection Under Load	Less than 1mm
Alkali Silica Reactivity	Harmless
Salt Content	Less than 0.01%
