

Clover 25Kg Bag Grass Seed

SKU: 6171-GS25k

- 25kg Sack

PRODUCT DESCRIPTION

A rye grass and clover mix. If you just want grass cover and don't care about looks - this is it - we call it Just Grass (or in the pasture range - rye clover). Its not a dwarf though but a high grower. Used by contractors on the berms, hobby farmers to oversow pasture and landlords for rentals.
