

## **Cp Tools - Paving Breaker Cp1260Svr Anti-Vibration 1-1/4" X 6"**

**SKU:** 8900 0030 32

### **Specifications:**

- Weight: 34 kg
- Length: 735 mm
- 1-1/4" x 6" shank
- Anti-Vibe Silenced
- Air Consumption: 34.5 l/s
- Blows Per Minute: 1 300 bpm
- Vibration Level: 6.5 m/s<sup>2</sup>
- Retainer Type: Latch
- Air Inlet: 3/4" NPTF
- Sound Level: 97 dB p

## **PRODUCT DESCRIPTION**

### *Key features:*

- Tuned valve system – gets more power out of your breaker and increases productivity
- Improved modern design for excellent durability
- Four-bolt backhead – withstands rugged use
- Reversible piston – reduces maintenance cost
- Lubrication grooves on the piston – increases the service life of the tool and its major parts
- New swivel design for increased maneuverability
- New type of heavy-duty front head springs – reduce maintenance cost
- “Hushed power” versions equipped with mufflers
- Versions with improved vibration dampening system (SVR models)
