

Fuji Air Tools - Fc-01-3 Chipping Hammer

SKU: 5412052471

Handheld Concrete Chipping Hammer

PRODUCT DESCRIPTION

Fuji chipping and calking hammers are durable. Fuji chipping and calking hammers are excellent for concrete stone weld flux removal. Low air consumption 0.14-0.18 m³/min (due to the valve mechanism) enables Fuji chipping and calking hammers to be used with a smaller compressor.

Specifications:

• Blows per minute	3000	
• Piston diameter	20 mm	0.787"
• Stroke	44.5 mm	1.75"
• Chisel rivet set shank	12 x 45	0.472 x 1.772
• Shank	Chisels	(Hex. Shank)
• Net weight	2.6 kg	5.7 lb
• Length	273 mm	10.7"
• Actual air consumption	6.9 l/s	14.8 cfm
• Min. hose size	9.5 mm	3/8"
• Sound DBA pressure	95 db(A)	
• Sound Power	106 db(A)	
• Vibration a (ISO-28927-10)	8.1 m/s ²	
• Vibration K (ISO-28927-10)	2.4 m/s ²
