Specifications:

- Head circumference: 53-63 cm
- Weight: 490 g
- Material(s): ABS (acrylonitrile butadiene styrene) nylon polycarbonate high-strength polyester polyethylene
- Certification(s): CE EN 397 EN 12492 ANSI Z89.1 Type I Class C EAC

PRODUCT DESCRIPTION

Very comfortable:

- Six-point textile suspension conforms perfectly to the shape of the head
- CENTERFIT feature allows perfect centering of the helmet on the head thanks to its two side adjustment wheels
- FLIP&FIT system allows the headband to be positioned in a low position guaranteeing that the helmet fits securely on the head. The system folds into the shell for easy storage and transportation
- Comes with interchangeable standard comfort foam

Protection designed for work at height and on the ground:

- DUAL chinstrap allows the worker to adjust chinstrap strength in order to adapt the helmet to different environments: work at height (EN 12492) or on the ground (EN 397). The clip has two positions corresponding to these two uses: high strength limiting the risk of losing the helmet during a fall and low strength limiting the risk of strangulation if the helmet is snagged while the user is on the ground
- Shock absorption achieved through deformation of the outer shell
- Vent holes with sliding shutters allow the ventilation to be adjusted as needed while wearing the helmet

Modular accessories:

- Eye shield with EASYCLIP side attachment system for easy installation
- Petzl headlamp with mounts or headlamp with elastic headband
- Helmet protector keeps the shell free from soiling and paint splash

- Nape protector provides effective sun and rain protection for the nape of the neck
- Nametag holder allows user to be easily identified
- Changeable chinstrap and foam
- Hearing protection
- Available in seven colors: white yellow red black orange blue and green
- Also comes in two high-visibility versions: yellow and orange
