**SKU:** 6174-TTBL

- 1100mm high
- Hi-vis orange
- 6kg rubber base

### PRODUCT DESCRIPTION

The T-Top Bollard is made from Hi-Vis Orange PVC with a reflective band around it, this very useful and versatile bollard is called the “T” Top due to the top being in the shape of a T which makes it easy to grip, and makes it simple to wrap barrier tape between bollards.

The “T” Top works best with a rubber base for balance and stability (included). This bollard is a must for almost every environment and workplace.
