SELF TIPPING WASTE SKIPS

YOUR NEW RIGHT HAND MAN

We offer our customers this range of boat skips with self dumping system, used for general muck and waste removal. These high quality skips guarantee an easy and safe work as they empty automatically without the help of any assistant. This special and modern system of release eliminates the risk for the operator to enter the danger zone where the bucket is working. The low loading height and drop down bale arm make the filling process very easy.
